

Bring and buy

There are a few ground rules on which we can still decline your item.

Your item:

1. Must be in reasonable condition. If not, we have to state this while selling or we will decline from selling it.
2. If it is an album, should still work. If it does not, we will not sell it.
3. Has to be authentic (we are not allowed to resell fake items).
4. Is packed in plastic wrap. If not, we will wrap it for you and label it, which will cost you 1 euro per item.
5. Has to be accompanied by this form. If not, we don't know whose item it is that we are selling.

Also, please keep in mind that once sold, there is no getting it back.

You will find a form down below in which you fill in your information. Make sure to repeat the "item" part for each item you are selling.

At the event we will try to sell it for the price you asked for it. We will not negotiate on your behalf.

Hallyucon asks 10% of your sale.

After the event you come and visit us to either take back your items that have not been sold, or to collect the money for your item.

Any items not collected at the very end (after hallyucon closes) are automatically donated to the foundation.
